Ultra-Small Electrical Connector

PC Series

extended model range

substitutes of Russian RS

www.rong-vang-technology.vn

Description

PC & PCM (extended model range) connectors are intended for use in DC, AC (frequency up to 3 MHz) and pulse currents (pulse period from 1 up to 60 sec)

Connectors consists of hermetic (Receptacles only) or non-hermetic (unsealed Plugs and unsealed Receptacles)

Connectors are manufactured in two versions:

- Connectors PC & PCM – screw-coupled version
- Connectors PC-G & PCM-G – Rack & Panel version

Contacts: $\varnothing$ 1 mm, non-removable, for wires soldering

Connectors may be with or without backshell

Contact plating for Receptacles is gold and silver for Plugs.

These connectors are manufactured for inner mounting for use in all climate zones in accordance with AVO.364.047TU technical conditions

Technical features

Description	Values
Shell material	aluminum
Contact material	copper alloy
Operating temperature	up -60°C to +85°C (maximum 105°C)
Vibration	up to 2500 HZ, PC – 15 g, PCM – 18 g
Impact	PC – 500 g once and 50 g multiple times; PCM – 150g once and 100 g multiple times
1 bar differential pressure, leakage	≤ 0.3 l/h
Max current rating per contact	4 A
Max current per the whole connector	up to 75 A (50 contacts)
Working voltage	200 V
Dielectric withstanding voltage	1000 V
Contact resistance	≤ 5 mΩ
Insulation resistance	≥ 1000 MΩ
Durability	250 cycles
Technical conditions	AVO.364.047TU
Technical specification	3E0 204 062JT

Ordering information

Basic series	PC	A	4	A	J	WF	TB
Sealing Level:							
Omit: unsealed Plug and unsealed Receptacle							
M: hermetically sealed (Receptacle only)							
Connector Type:							
Omit: Plug							
A: Receptacle							
Number of contacts: 4, 7, 10, 19, 32, 50							
Coupling type:							
Omit: screw-coupled version							
G: Rack & Panel version							
Contact plating:							
Omit: Silver							
A: Gold							
Contact Type:							
J: Pin for Receptacle, only							
K: Socket for Plug, only							
Backshell Type:							
Omit: without backshell							
WF: with backshell							
All weather (Obligatory suffix)							

Contact layouts

Number of contacts	4	7	10	19
Shell size	10	12	14	18
				
Number of contacts	32		50	
Shell size	22		27	
				

Dimensions

Receptacles (without backshell)

PCA & PCMA type, screw-coupled versions, with pin contacts

PCA-G & PCMA-G type, Rack & Panel versions, with pin contacts

Shell size	D	Ø d	A	B	b
10	M10x0.75	2.2	11.8	16.5	1.4
12	M12x0.75	2.2	13.2	18	1.4
14	M14x0.75	2.2	15	20	1.4
18	M18x0.75	2.2	18	24	1.4
